

Gilmont's Women's Retreat

April 26-28, 2024

Psalm 86 declares that “love and truth meet... right living and whole living embrace and kiss.”

How do we **EMBRACE** the whole and right story of our living as a way to honor God? Join us for a weekend of celebrating the best, considering the worst, and reflecting on how we can both shape and be shaped by what happens to and around us.
