## Camper Covenant of Community

- I understand I must respect and follow the instructions of counselors and staff members.
- I understand that I must turn in my cell phone (or tablet) for use during planned times of communication. I understand I should not have any other electronic device in my possession.
- I understand the cost of repair for any destruction of property by a camper will be the responsibility of the camper's guardian.
- I understand illegal drugs, alcoholic beverages, firearms, tobacco products, or fireworks are not permitted.
- I understand inappropriate behavior between campers or staff and campers is not permitted.
- I understand that practical jokes, inappropriate language, hazing, teasing, bullying, and other behaviors which do not build up others are not permitted.
- I understand that I must stay on camp property at all times.
- I understand that in the event I am dismissed for unbecoming conduct, the director will notify my guardian to pick me up at the expense of my family.

In line with Gilmont's mission to provide a safe, sacred space where all are invited to grow closer to God, creation, others, and themselves, I agree to act in accordance with the guidelines in this document. In addition, I will show my respect towards staff, campers, and myself by abiding by the covenant that my fellow campers and I create at the beginning of the week.
