

# in the practice of silence

Deep calls to deep  
at the thunder of your torrents;  
all your waves and your billows have gone over me  
Psalm 42:7

In these simple words, *deep calls to deep*, the lyrical voice of the psalmist captures an intimate eternal moment with God. This short simple phrase connects us with our desire to feel the waves and billows of God eternally wash over us.

Come experience silence in community in the beauty of God's creation. Absorb what is peaceful and sacred into the depths your individual and our collective soul.

## Silent Retreat at Gilmont February 11-14, 2024

During the Silent Retreat, participants will be given space to create a spiritual connection with the living God in our midst. We will be provided with daily scripture readings, one-on-one time with a Spiritual Director, hands-on prayer exercises, and wide-open spaces of silence with God. Each participant has the freedom to decide how to engage the retreat schedule and how to spend the hours of their day. Come experience the practice of silence with us this February.
