Circle of Friends

September 2-4, 2023

A weekend family camp for children with developmental disabilities

Circle of Friends provides a place for community and understanding for caregivers and a whole lot of camp fun for kids with developmental disabilities. Volunteers care for the children during the day while caregivers enjoy respite. Due to the generosity of many, Circle of Friends is FREE for all participating families and volunteers. Volunteer one of the remaining weekends or share this opportunity with a family who may benefit. More information at Gilmont.org/Circle-of-Friends

There is time for rest, reflection, and flexibility in the schedule for you to respond to the call of the Holy Spirit. This retreat will focus on kindness - something the world needs a lot more of these days! Learn more at Gilmont.org/spiritual-practices
