

Gilmont Women's Retreat
February 4-6, 2022

Fill My Cup

Speaker:
Rev. Kate McGee

The COVID-19 pandemic interrupted so many of our very basic routines. As we find our new normal, maybe your cup feels a little empty. As you go to pour yourself out for the sake of Jesus Christ, maybe your cup could use a refill or repair. In Psalm 23 we're offered a vision of life abundant at God's table - where our cups overflow. Come to the Women's Retreat to refill your cups through fellowship, worship, music, keynotes, workshops, and more amid the beautiful East Texas trees. Bring a friend or a small group from church to help fill each other's cups as well!
