

# Join us in 2025!

---

When you attend a Worship in the Wild service, you grow closer to our Creator in the beloved community of God's creation.

## Saturday, April 19th at 2:00 PM

Location: Pavilion Campfire

Reflect on the liminal space of Holy Saturday - between the crucifixion and the resurrection of Jesus - where grief and hope coincide. You are invited to reflect and walk in the woods where “what was” nurtures “what is to come.”

## Sunday, June 1st at 10:00 AM

Location: Crain

Ground yourself on the soil beneath your feet, among welcoming community, and in the love of God. This service includes a special commissioning of Gilmont's Summer Staff and is inspired by Gilmont's 2025 Summer Camp theme - Growing Edges.

## Sunday, October 12th at 10:00 AM

Location: Pavilion

Start your day with a practice of gratitude for the gifts of God that surround us. We will sing, pray, reflect on scripture, and commune with God's wondrous creation during this more traditional outdoor worship service.

Walk among creation. Listen to their stories.  
Let yourself be grounded with all things alive and sacred.
